Welcome letter

Dear Resident,

Well Parish Council warmly welcomes you to the village of Well, and we are delighted to introduce you to the amenities and facilities that now surround you.

This friendly and vibrant community has so much to offer all of its residents and aims to meet the needs of all age groups.

We pride ourselves on being a sociable and interactive village where all residents are made to feel welcome, whether they wish to participate in local groups and activities or simply to enjoy the peace and tranquillity of this pleasant neighbourhood.

In the 'New to the village' page of the new village website you will find useful information about local amenities, facilities and deliveries. There is also information on the website about local attractions and walks, the history of the village from Roman times, and local events and news.

Well Parish Council currently meets four times a year, and all meetings are held in public – we would love to see you at a meeting. Residents have the opportunity to raise issues or concerns, to be discussed by the parish council. Should you have any questions, please do not hesitate to contact the Parish Clerk, Julia Hamby (contact details at the top of the page). Julia circulates a lot of important and helpful local and district information via her email communication list, please contact Julia if you would like to be added to the list.

We are sure that you will enjoy living in Well and very much look forward to meeting you soon.

Best wishes

Janet Bates

Chair, Well Parish Council
